The following requirements must be met in order for an application to be considered:

- 2) Each applicant must have a good credit history. At least two credit references must be provided. The following are examples of references: major credit cards or department store cards, loans (car, student or bank loans), cell phone bills or utility bills. If utility or cell phone bills are used, please provide a recent copy of the bills. **A credit report will be obtained on all parties applying.**

If you do not meet the above requirements, you may still be eligible if you provide a financial guarantor. Please contact our rental office for more information.
